

REAL DEAL PROGRAM

2023/2024

The REAL DEAL program is for all active full-time and part-time employees and their eligible dependents (volunteers are not eligible). It is a reciprocal program with participating Colorado Ski Country USA members that allows employees to visit other winter resorts within Colorado. Employees can enjoy complimentary skiing/snowboarding with a voucher and their ASC ski pass. Dependents are eligible for 50% off the daily ticket window price with a Real Deal Voucher and an ASC dependent pass. Eligible dependents are defined as a spouse or child entitled to an ASC dependent pass. Vouchers cannot be obtained more than 7 days in advance.

HOW IT WORKS

1. Bring your current 2023-2024 ASC ski pass or a previous employee pass to your mountain administrator or HR office and pick up your voucher (See list below).
2. Take your authorized Real Deal voucher and your ASC ski pass and/or photo id to the ticket office at the mountain/resort you are visiting
3. If ASC mountains are not open, the participating resorts that are open may charge up to a \$10.00 fee. Blackout dates may apply
4. Have fun!
